

Springs Valley 2023-2024 Dyslexia Interventions

The following 2023-2024 Springs Valley dyslexia information is provided below in accordance with the Indiana Code 20-32-8-5.

Dyslexia Intervention Program:

- Springs Valley Elementary uses mClass interventions to support students with dyslexia.

2023-2024 Number of Students Receiving Dyslexia Interventions:

- This is the number of students who received dyslexia interventions during the previous school year. This indicator represents the number of students who were identified as “at risk” or “at some risk” for dyslexia during the previous school year and who received the appropriate interventions. It does not represent the number of students who were officially diagnosed with dyslexia.
- Springs Valley Elementary had eight students who received dyslexia interventions during the 2023-2024 school year.

2023-2024 Number of Students Identified with Dyslexia:

- This indicator represents the number of students who were officially diagnosed with dyslexia and may differ from the number of students who received dyslexia intervention under the guidelines within this document.
- Springs Valley Elementary identified eight students with dyslexia during the 2023-2024 school year.
